

## Parents

Firstly, we would like to extend our gratitude to those who contribute their time, effort and money towards fundraising projects. As you are all aware, fundraising in Killina school is ongoing and this year is no exception. Our primary objective is to generate income towards the cost of the new sports grounds, which is estimated to be in the region of €10,000- €12,000.

You are being invited to share your suggestions on ways to raise this much needed cash, and for your help and support.

We appreciate that we are all busy with different demands, but if we all could give a little of our time and money we can achieve our mutual goals; thus creating a better environment for our sons and daughters. This is our school and all money raised goes straight towards it.

Thanking you in advance,

Slán go foil,
