

**KILLINA PRESENTATION SECONDARY SCHOOL**

Rahan, Tullamore, Co. Offaly.

22<sup>nd</sup> May 2019

Dear Parent(s), Guardian(s),

Killina Presentation Secondary School is undertaking fundraising in order to further develop our recently opened sports field adjacent to the school. The land has been made available to the school by the Presentation Order. The costs of developing the pitch was undertaken by the school. Already a significant amount of money has been raised by the students of the school and the Parent's council, this allowed us to get the pitch to its current state.

To see real benefits from the sports field and in the hope of having the best sporting facilities available to the school and our students, we now need to look at providing toilets and the necessary services of electricity, water and sewage treatment. We have projected these costs to be in the region of €20,000-€25,000.

If you are in a position to make a financial contribution towards this work we would gratefully appreciate it. Cheques/ donations can be made to Killina Secondary School Pitch Development and these will be receipted. Or alternatively lodged to the school account

**IBAN IE68AIBK93225615907020**  
**BIC AIBKIE2D**

Donations of €100 or more will be displayed on a sponsors notice at the pitch entrance.

Thanking you in advance for your continued support.

Yours sincerely

John Cotter, Principal
