

KILLINA PRESENTATION SECONDARY SCHOOL
Rahan, Tullamore, Co. Offaly

1st December 2016

Dear Parent(s) Guardian(s)

On Wednesday next, December 7th we are organising a Study Skills seminar for Leaving Certificate students. It will take place in the school from 3-6pm. I would like to see all Leaving Certificate students in attendance.

The workshop is being delivered by a company called the Super Generation. There is a cost of €10 for participation in the seminar.

www.thesupergeneration.com.

We hope that by attending and participating in this seminar your son/daughter will be helped in devising good study habits and learn useful study techniques. I also hope that students will be better able to make use of study time.

If your son/daughter is participating then they must put €10 into an envelope with their name on it, and leave it into the school office before Tuesday 6th December.

Kind Regards

John Cotter, Principal.
